

## **LGA30304 CERTIFICATE III IN LOCAL GOVERNMENT (OPERATIONAL WORKS)**

Employees in Local Government perform tasks involving a broad range of skilled applications applied in a wide variety of contexts. This qualification reflects the role of employees in Local Government who perform tasks involving a broad range of skilled applications applied in a wide variety of contexts, which may involve application of some discretion and judgement in selecting equipment, services or contingency measures as well as working within known time constraints.

### **PATHWAYS INFORMATION AND ENTRY REQUIREMENTS**

Not applicable to this qualification

### **BENEFITS TO THE EMPLOYEE AND EMPLOYER**

- Staff can obtain a nationally accredited qualification which is recognised Australia wide
- Staff are gaining valuable work skills which then can be applied within the work place
- Increased effectiveness of staff who have participated in the training
- Participants are assessed on the job

### **DURATION OF THE LEARNING**

- These programs are competency based, which means they can be completed once all competencies have been achieved and your employer considers that you are competent at this level.
- Participants should complete their qualification within 24 months
- Completion of this qualification can include Recognition of Prior Learning
- Assessments are set following the delivery of each unit of competency
- Participants will have a specified time in which they are expected to complete the set assessments. Specific deadlines for completion will be explained in the training agreement at the start of the course. Typically assessments are due between four and six weeks from the date that they are set.

### **HOW IS THE LEARNING CONDUCTED**

- The learning is a combination of both on and off job delivery and assessment.
- Learning is supervised and supported by Supervisors and Managers within your organisation
- Access to phone and email support is available from the facilitator or representative of Municipal Training
- Participants will also communicate with Municipal Training on the Municipal Training MOODLE site on-line where they can access course learning and assessment materials and course information.
- Recognition of prior learning (RPL) is encouraged and we will work with you to determine what RPL may be available to you, prior to the commencement of the course

- 17 units in total are required to obtain this qualification
- You will have access to training support notes and assessment tasks.
- Flexibility in learning will be attained through consultation with the lead facilitators and program managers employed by Municipal Training.

### **ON THE JOB ELEMENT**

Between face to face sessions your employer will be involved and will work with you in completing the qualification. Municipal Training encourages the employer to participate in the learning process by allowing each participant to apply their new skill sets to their job roles and use workplace examples as tools for their assessments.

It is a requirement of Municipal Training facilitators and representatives to inform the employer/ supervisor / and or Manager of the organisation on the assessment process and requirements.

### **RECOGNITION OF PRIOR LEARNING (RPL)**

Participants who have at least one year's experience in working in local government will normally be eligible for RPL in the three local government units indicated in the following list of units of competency.

### **CAREER PATHWAYS**

For further information on career opportunities please visit your local council where you can explore the possibilities.

### **TRAINING PATHWAYS**

Participants who have completed the Certificate III in Local Government Operational Works can enrol in the Certificate IV in Local Government Operational Works.
